Day 3, Saturday, February 02
Nürnberg Toy Fair

We start right away with The Highlight of the tour the Toy Fair. For any individual that likes toys, trains, Christmas ornaments or any hobby related products this fair is a must. Visiting the Toy Fair is a rare opportunity, because it is not open to the public; our guests are allowed to visit the fair because we get them in as employees. The fair is a treat for our eyes. The manufactures booths are incredible with all the new products, all the layouts and dioramas – we will be like kids in a candy store.

Vienna Sightseeing

There is so much to see in Vienna that you can spend many days doing so. We had a lot of good experience with those Hop-on/Hop-off services. Therefore we will use them here too. Some of the must-see sights are the Stephan's Cathedral, The Schönbrunn Place, the opera house and many more. I will have a list for you of all the places you can see at all the 15 stops.

Day 8, Thursday, February 07
Vienna-Mariazell

On this tour we have two narrow gauge train ride. This time we take the famous Mariazeller Bahn. We take the Railjet from Vienna Westbahnhof to St. Pölten. This is just a half hour ride and most of the time we are in a tunnel, but we will reach speeds of over 220 km/h. In St. Pölten we have to board our narrow gauge train which brings us within 2 hours into the foothills of the Alps. Mariazell is famous for its cathedral which brings thousands of pilgrims to this little town every year. Even the last 2 Popes visited that jewel tucked away in this sparsely populated area of Austria.
