- ✓ Ride on a high speed ICE train

Departure: January 30, 2015

Return: February 08, 2015

Air travel from Chicago

Please note: You can choose any airport within the US for departure. We will make the necessary arrangements for you.

LAND/AIR PRICE (per person) \$3795.00

LAND ONLY PRICE (per person) \$2795.00

Day 1, Friday, January 30
Chicago-Frankfurt

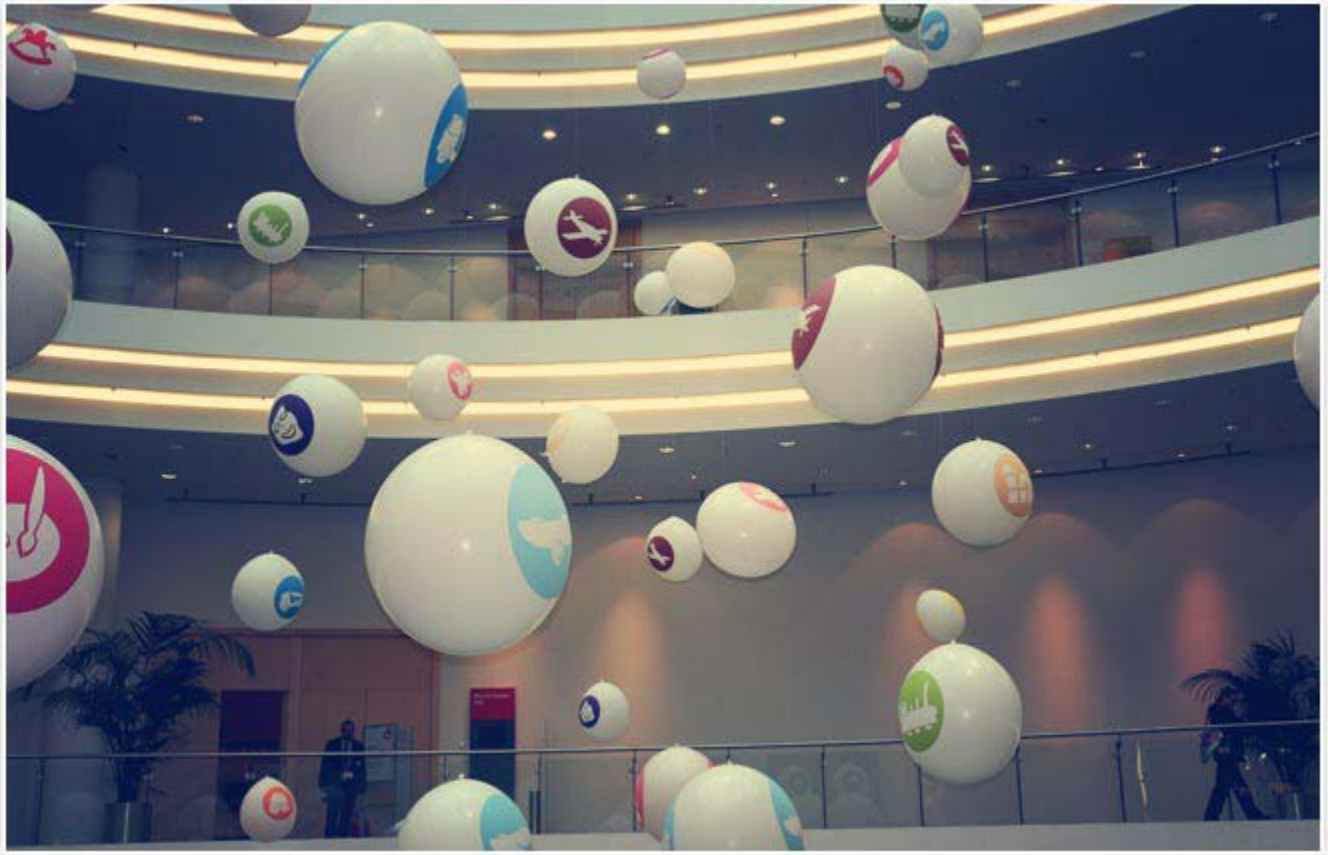

We are leaving Chicago late afternoon on your non-stop flight to Frankfurt. Cocktails and dinner will be served en route.

Day 2, Saturday, January 31
Frankfurt-Lichtenfels

One hour before landing they will serve breakfast. After checking through immigration and customs you will board your train to Lichtenfels. After checking into the hotel the afternoon is free for your own activities. We will meet for dinner at 7:30 and probably will call it a night after that.

Day 3, Sunday, February 01
Nürnberg-Toy Fair

The Toy Fair is surely the highlight of our tour. For any individual that likes toys, trains, Christmas ornaments or any hobby related products this fair is a must. Visiting the Toy Fair is a rare opportunity, because it is not open to the public; our guests are allowed to visit the fair because we get them in as employees. The fair is a treat for our eyes. The manufactures' booths are incredible with all the new products, all the layouts and dioramas – we will be like kids in a candy store.

Day 4, Monday, February 02
Narrow Gauge Ride Radebeul - Moritzburg

You know us, there is no ToyFair tour without a narrow gauge steam ride. Our bus will pick us up at the hotel and bring us to Radebeul Ost. There we will get on our train to Moritzburg, where we will visit the famous Baroque hunting castle.

Day 5, Tuesday, February 03

Lichtenfels – Leipzig

Our train will bring us in 2.5 hours to Leipzig. Alone the station is worth to come here, because it is the biggest train station in the world. Even after they reduced it from 26 spurs to 21 it is very impressive with traffic of 777 trains daily. So we will spend some time there. After that we are heading out to see other sights like the Old Town Hall, Mädler Passage with the Auerbachs Keller, one of the most recognized restaurants in the world. (Goethe wrote parts of his drama Faust there). Thomas Church with Johann Sebastian Bach memorial, Gewandhaus and the Völkerschlachtdenkmal are also included.

Day 6, Wednesday, February 04

Lichtenfels - Hamburg

Well, our days in Bavaria are over and today we will head to Hamburg. We will board our ICE, which will bring us to Hamburg within 5 hours. After we settle in our new hotel, we give you the rest of the day off to relax or do as you wish.

Day 7, Thursday, February 05

Hamburg-City and Harbor Tour

We will use our first day in Hamburg for sightseeing. All the important attractions will be on this route, like the Michel's Church, the Red Town Hall, the Elbe Tunnel and so on. We will also arrange a boat tour through the huge Hamburg harbor.

Day 8, Friday, February 06
Hamburg Miniature Wonderland

This is my real highlight on our trip. You might have been before at this fabulous layout but if you haven't been there in the last few years you missed the new airport and the Italy part. The airport was planned to open already in 2008 but because those guys are such perfectionists it took them to open up this segment till May 2011. You have to spend the whole day to see everything. We will also arrange a tour behind the scenes to show you all the technology which goes into a project like this.

Day 9, Saturday, February 07

Hamburg-Lüneburg-Bleckede

Our repairman Leif is a member of the Bleckeder Kleinbahn. He was able to arrange a special ride for us. We will be picked up by "our" train in Lüneburg and brought to Bleckede. There we will visit the railroad maintenance facility.

Day 10, Sunday, February 08

Frankfurt-Chicago

Like all good things, this tour will come to an end today. Breakfast is early in the morning with hotel check out to follow. We will transfer to Frankfurt Airport and fly back home.
